

Bring the charm of a New England coastal village to any home with Eastport Sound™ Perfection Shingles.

Without moving a mile, you can bask in the beauty of an East Coast house or cottage with the simple addition of Eastport Sound™ Perfection Shingle.

Featuring a natural woodgrain texture and authentic cedar shingle appearance, the Eastport Sound™ palette perfectly matches the most popular siding colors from Style Crest®, and include blended options for a natural weathered look. So you can create a look that best suits your style, whether you choose just one color or go with a combination of contrasting or complementary colors.

High-performance polymers offer an unbeatable combination of aesthetics and performance, adding value to your home that will last for years.

EASTPORT SOUND™
